

We are pleased to announce that AmeriCU Mortgage has partnered with PriorityONE Credit Union to help its members with their mortgage needs.

AmeriCU Mortgage is a division of Towne Mortgage, a privately held mortgage company providing residential and commercial real estate financing since 1982 through the Federal National Mortgage Association (FNMA), The Federal Home Loan Mortgage Corporation (FHLMC), and Government National Mortgage Association (GNMA), and other private investors.

AmeriCU Mortgage offers:

- Competitive products and rates which offer each member the opportunity to select the loan option that is best for them.
- Mortgage expertise to help guide members through the loan process.
- Quick response to member needs and provide a customized, hassle-free loan process
- Convenient, personalized service to every member through the life of the loan

AmeriCU goal is to offer a range of services and provide excellent member service from the day the application is first taken, until the day the last payment is made on the loan. We work closely with PriorityONE to make sure members realize their mortgage goals.

For more information on our products and services, please contact your mortgage representative:
