We've been recognized for our **people-first culture** by Sun Sentinel!

We are happy to announce that we've been named #TopWorkplace by Sun Sentinel! A big thank you to all of our employees who helped to make this happen.

Employer recognition awards are more than a shiny plaque on a wall. Leadership that prioritizes a people-first culture makes a company a great place to work.

CEO Deana Hennessey confirms, "We are honored to be chosen as a Top Workplace. Creating a top workplace is about more than offering benefits and vacation time. It's about putting employees first."

Fraud Spoofing

In an attempt to obtain sensitive information, fraudsters are using spoofing technology to make phone calls **appear** to be coming from a legitimate business.

Some of our members have received spoofed calls from individuals claiming to be from **PriorityONE**, and the caller ID also indicates **PriorityONE**. The fraudster claims that a fraudulent charge is on your account and then asks you to confirm your identity. Be assured that **PriorityONE** actively monitors your account for suspicious activities and we will never initiate a call **or** text asking you for your online login credentials, debit card, PIN or account number.

If you have any doubts about the validity of a phone call you receive from us, please hang up and call our direct number at **954.335.5100, Option 2**. For additional tips on how to avoid spoofing scams visit: <https://www.fcc.gov/spoofing>
